

**John Paul Merritt**  
Chairman

**John Paul Merritt** is the Chairman of Delta Agriculture. He is also acting CEO of Pony Oil, a land-focused oil and gas company. Merritt attended the University of Oklahoma and began his career at Turner Oil and Gas as a contract landman. In 2013, founded Pony Oil which has since grown to one of the largest mineral and royalty acquirers in the U.S., comprising more than 40,000 net royalty acres across Texas, New Mexico, Colorado, Wyoming, and Oklahoma. He is also founder of Merritt Plus, a portfolio of numerous investments including Floyd's 99, Jakes Hamburgers, Call Box Storage, and The Charles Restaurants. Merritt resides with his wife and four children in Dallas, where he volunteers with the YMCA as a Youth Sports Coach. Together, they attend Christ the King Catholic Church.

**George Overbey**  
Chief Executive Officer

**George Overbey** serves as Chief Executive Officer of Delta Agriculture and leads all aspects of sales. Prior to Delta Ag, George was Co-Founder and Chief Operating Officer of Pony Oil where he managed trading and investment strategy. While at Pony Oil, he led the deployment of over \$1 billion of capital into the energy space via strategic partnerships with public and private operators, royalty funds, and family offices. George received a master's degree in Accounting and Finance from Oklahoma State University.

**Graham Owens**  
President

**Graham Owens** serves as President of Delta Agriculture and is responsible for business development and managing regulatory affairs. Prior to Delta Ag, Graham was Director of Regulatory, Tax, and Domestic Economic Policy for the National Association of Manufacturers, the largest manufacturing industrial trade association in the United States. Graham received a bachelor's degree from the University of Virginia and a law degree from George Washington University Law School.

**Nick Strawn**  
Chief Operating Officer

**Nick Strawn** serves as Chief Operating Officer of Delta Agriculture and is responsible for optimizing the company's supply chain. Prior to Delta Ag, Nick incubated two cannabis companies with the support of Pony Oil. The first was Harvest Direct Enterprises, a biotech and intellectual property development company with a patented best-in-class decarboxylation process. The second was YIPS, an award-winning provider of Total Spectrum CBD Softgels. Nick received a bachelor's degree from Indiana University and a law degree from Oklahoma City University School of Law.

**Philip Park**  
Senior Vice President

**Philip Park** serves as Senior Vice President of Delta Agriculture and is responsible for leading financial growth initiatives. Prior to Delta Ag, Philip was Senior Financial Analyst at Cetera Financial Group. While at Cetera, he led annual budgeting for a company with over \$1 billion in revenue and was directly responsible for all revenue forecasting across all business lines. Philip received a bachelor's degree in Systems Engineering and a bachelor's degree in Economics from the University of Virginia.
